Supplies

The following supplies are **ONLY SUGGESTIONS** (some of my favorites), but I'd also suggest just checking out your favorite local bookstore and picking out a nice journal and pen/pencils, or simply bringing what you already have! **Anything to write on and with will do!**

Notebook	**$12**
Pen	**$2**
Pencils (set of 12)	**$34**

Total estimated cost $0-40

Please email the instructor with any questions regarding supplies.

In case you are unable to attend class, consider purchasing supplies that are returnable.
