Layered Acrylic Painting on Wood

Instructor Name: Tara Sauvain

Instructor Email: tsauvain2025@coloradocollege.edu

The supplies listed below are examples of the materials needed for this class. I've included Amazon links so you can see the specific materials I'm referring to and use them as a reference when deciding where to purchase them.

You have a choice of purchasing the wood panels and using gesso to prime them or using pre-primed canvas panels. You do not need both!

Most supplies can be found at Michaels, Hobby Lobby, Menninger's, Who Gives a Scrap, Amazon, and other local art and craft stores.

Please bring an apron or clothing that you don't mind getting messy!
