

Guidelines for Student Matinees

We are so excited to see your group for our Student Matinee performance! Below are a few policies and guidelines that we ask your group to follow to ensure a positive experience.

Arrival

- Please plan to arrive at least 15 minutes before your scheduled show time.
- Buses can pull up to the front of the FAC on W Dale St.
- **Please remain on your bus** until an FAC representative arrives to welcome your group.
- The FAC representative will explain a few last minute instructions and escort your group to the theatre when ready.
- We ask that any unneeded coats, backpacks, or lunches remain on the bus.

Parking

- After the students unload, buses should park along Cache La Poudre St and Mesa Ave near Monument Valley Park.
- Please **do not park in the FAC parking lot** as there is limited space.

Theatre Etiquette (to be shared with students)

- Please remember that the actors can see and hear you, even if you speak quietly or whisper to your neighbor. Show your respect to the actors by giving them your complete attention and refrain from talking during the performance.
- Make sure that all electronic devices are turned completely off and put away. It is best to leave all electronics on the bus.
- The actors welcome and even crave appropriate responses to their performance. Laugh when it's funny, cry when it's sad, and listen to the actors tell their story!
- Most importantly ***have fun and enjoy the show!***
