Unleash Your Inner Child—While Supporting the Arts!

Experience an unforgettable evening of play, creativity, and nostalgia at SPOTLIGHT: A Night of Play! This exclusive after-hours event transforms the Fine Arts Center into your ultimate arts playground—all while supporting one of Colorado Springs' most treasured cultural institutions.

Reconnect with the joy of childhood through a variety of grown-up-friendly activities. Explore a board game room stocked with nostalgic favorites, craft your own DIY friendship bracelets, shrinky dinks, or spin art in our craft room, and strike a pose as a caricature artist sketches your portrait. Take a whimsical stroll through the museum on comedian-led tours that will have you laughing and learning in equal measure. End the night dancing to a DJ spinning your favorite 90s hits.

Refuel throughout the evening with delicious snacks and drinks available for purchase—childhood classics reimaged for a sophisticated palate. Calling all 80s, 90s, and 00s babies-turned-art-lovers—this is your chance to relive the magic of your favorite memories, now with a creative and grown-up twist.

This is more than a night of fun. It's a celebration of the power of the arts to inspire, connect, and bring joy to our community. By attending, you're helping to support the Fine Arts Center's mission to bring theatre, visual arts, and hands-on creativity to life for generations to come.

Tickets are limited, so grab yours today!
